

Parent Survey – Share Your Thoughts!

The Parent Leadership Task Force is currently gathering data to develop a strategy for increasing and supporting parent leadership in the district with the goal of improving student achievement. An online parent survey will be run during the month of February, and paper copies will be made available to schools.

From February 1st to 28th, parents/guardians of school-aged children are invited to share their opinions on parent involvement in our schools – what’s working, what’s not and how can we improve it?

If you have any questions, please contact [Leigh-Anne Larsen at la.larsen@shaw.ca](mailto:la.larsen@shaw.ca) .

Thank you very much for your support.
