Education Series 2009

YOU ARE NOT ALONE

Caregiver Support Group for FASD and other Complex Developmental Behavioural Conditions

JOIN US and **Joyce Clarke**, School Psychologist working as a School and Family Consultant for School District # 73, for an interactive session on **April 22nd, 10-11:30am**. A teacher, counselor, mother of six from a blended family and grandmother of seven, Joyce is presently responsible for the Kindergarten Planning Meetings — children with special needs starting Kindergarten in September. She will also address the needs of children transitioning from elementary school to high school.

Discussion / Q&A: School Readiness and Transitioning

Why is it important to plan ahead? How will the school accommodate my child's special needs? What does the caregiver need to know?

We encourage you to bring your questions, ideas, struggles, suggestions and stories. And of course your sense of humour!

Who should come? EVERYONE

Education Sessions are:

4th Wednesday of Every Month

10:00—11:30am
