Dear Parents,

Did you know that you are all members of the Parent Advisory Council? Every parent or guardian of a child registered at ABC School has a right to have their voice heard. The PAC's purposes are:

1. To advise the school principal and staff on parental views about school programs, policies and activities;
2. To communicate with parents and to promote co-operation between the home and the school in providing for the education of children;
3. To assist parents in accessing the system and to advocate on behalf of parents and students;
4. To organize PAC activities and events;
5. To contribute to the effectiveness of the school by promoting the involvement of parents and other community members.

The PAC executive (elected annually) takes its direction from its members, and we would like to make sure that we are on track with your expectations. Are we doing the things you want us to do? Are you happy with our choice of activities, including fundraising? What about how we spend our money? We need your input!

We are sending out the attached survey to all our members to ask for your opinions on our activities. Please fill out one form per family, and feel free to call any of the executive members below for more information. If you would rather fill out the form anonymously, that's OK too. The classes that have the highest return rates will win prizes. Please have them back by Friday, November 28, 2008.

We look forward to reading your responses!

Sincerely,

Sally Reynolds
