

**SCHOOL DISTRICT NO. 73
EDUCATION DEPARTMENT**

To whom it may concern,

My name is Ian Henson and I wanted to discuss two opportunities that we have at Booster Juice that you may be interested in.

Option 1: School Lunch Program.

- Can be used as a fund raiser and/or inexpensive way to feed the children in a healthy manner. The minimum order is 75 and we will deliver to the school and charge \$3.25 per snack sized smoothie. Generally a snack sized (12ounce) smoothie is \$4.20 including tax if bought in store, thus the opportunity to sell for more and raise some money. There are 2 full servings of fruit within one snack sized smoothie!

Option 2: Fundraising Coupons. (see following page of information)

- We sell the coupons (minimum 100) to you for \$3.75, they are valid for any regular sized (24 ounces) smoothie. This is up to a \$7 value with taxes, however the majority are \$5.99 including taxes, so I recommend you sell them for \$6 each or 4 for \$20. You get to sell something healthy that everyone loves and the purchaser is still saving money. We can put the reason for the fund raising and/or school name right on the coupon and once ordered they will be ready in about 10 days.

If either of these seem of interest please contact me at (250) 828 – 7113 or cell 250) 682 – 0131 and we can discuss it further or get started on some dates and/or coupons.

Thank you for your time and consideration.

Sincerely,

Ian Henson

Booster Juice™

FUNDRAISING PROGRAM

What is Booster Juice?

Our products are made of the highest quality ingredients. Our menu consists of Smoothies, fresh squeezed juices, wraps, panini, quesadillas, wheatgrass shots and much more! Our smoothies are so incredible that the most common phrase we hear from customers is that "they're addictive".

What's with the name BOOSTER JUICE!!!? In every smoothie you get a free booster.

Feeling a bit run down? Choose the Warrior Booster, it's a blend of Echinacea and Goldenseal. Need a bit of extra energy? Go with our Energy Booster, which is a boost of North American ginseng. The boosters give customers the enjoyment of customizing their drink to meet their lifestyle needs. These are just two of our ten boosters. We also have FRESH JUICES available year round. Carrot, Apple, multi-veggie blends and, of course fresh squeezed orange juice. Want a hot meal...our Panini (Italian grilled sandwiches) are a taste sensation. These are made from fresh focaccia loaf with green and red pepper, onions, low fat Monterey cheese and white chicken that have our customers raving. If you want to be really hip, try a shot of Wheatgrass Juice. This green juice is freshly squeezed right before your eyes.

Boost your energy. Boost your daily intake of fruit and veggies. But most importantly the boost received from choosing a Booster Juice product lies in providing a self-affirming satisfaction that "great tasting" can be "great for you" as well.

What is the Booster Juice Fundraising Program?

We can all agree that fundraising is crucial to any worthwhile program. But if you are like most people, you don't look forward to it. This is why the Booster Juice Fundraising Program is so great! This is a year round fundraising program whereby schools, sports groups, day care centres, preschools, medical causes and nonprofit organizations purchase vouchers from Booster Juice at a discounted price (\$3.75) and then sell them for a suggested price of \$5.00 so that they make a \$1.25 profit per voucher for their group.

Where can I purchase the Fundraising Vouchers?

Vouchers are available at all participating Booster Juice locations across Canada. Simply stop in at any Booster Juice location and fill out an order form to purchase your vouchers.
