What exactly is DPAC?

- DPAC stands for District Parent Advisory Council. We are the official parent voice for school District 73 (Kamloops/Thompson).
- Each PAC is encouraged to elect 2 DPAC reps to attend our monthly meetings.
- We elect an executive to conduct business between meetings, but our direction is determined by our members, just like at PACs.

What is the role of DPAC?

- Our mandate, according to the *School Act*, is to advise the Board of Education on any matter relating to education in the school district. We funnel parent input to decision-makers in our district.
- We facilitate communication — we send a lot of information out to the PACs on upcoming events and programs that might interest them.
- We provide training and education for parents, as well as opportunities for exchanging ideas. We host speakers as well as workshops and networking events.
- We function as a resource for individual parents and PACs as they do their work at the school level.
